Dedication

Rachel Pugh
February 13, 1906—December 4, 2000

Rachel worked for the Jones Farm and the New Hampshire Farm Museum for close to 80 years. a small time spent away from Milton in her younger tears. She began after her father died when she was 14. She came to serve as help with dairying, carrying the settling pans or warm milk down the steep cellar steps to cool overnight, then carried them up the next day, very slowly (so as not to lose the cream which would be skimmed off to make butter. set an example by living—she didn't preach about how to live, she just did it. What exactly did she do? And what can we learn from her example?

Always carry a big bag—heavy and full of who knows what—it might come in handy, and at least it will keep your muscles able to carry a weight.
Pick up small items from the floor. It helps keep your balance and cleans up a mess.
Water the plants and wind the clock. It is useful and makes order to a day.
Write notes to old friends. It makes them happy and keeps you in touch.
Be charitable while speaking speaking about people who have caused you harm. They probably weren't all bad, and anger makes you weak—forgiveness makes you strong.
Laugh a lot. Laugh so hard you can't speak.
Check in on things. Make sure the artifacts are in their place, and go visit the chickens to see how they are doing.
Never give up. Rachel was always recruiting folks to help with the Museum or working to get the Milton Ridge schoolhouse moved to the Museum, taking the time to have long conversations with anyone who happened by.
Always make time for a hug.

Meeting scheduled as required.

SEWER COMMISSION
First Tuesday of every month at 6:30 P.M. at the Treatment Plant Office.

ZONING BOARD COMMISSION
First Wednesday (when required) of every month at 7:00 P.M. at the Teneriffe Building.

ABOUT MILTON

Milton is a rural town situated in southeastern New Hampshire, with a population of about 3,990. It was originally a portion of Rochester, from which it was incorporated in 1802. Teneriffe Mountain overlooks Milton Three Ponds, which connects to the Salmon Falls River, offering spectacular scenery no matter what the season.

Milton and its village of Milton Mills both border the State of Maine. The major transportation system providing access within Strafford County and to connecting routes is the Spaulding Turnpike, a divided expressway running north to south. It connects with Interstate 95 at Portsmouth, in close proximity to Pease International Tradeport. US route 4, an east-west highway, provides access to Concord and Manchester. NH route 125 is a north to south local road, connecting many of the smaller towns within the Lawrence-Haverhill, Massachusetts area. The NH Route 125 north section connects communities such as Conway in Carroll County with Rochester, Dover and Portsmouth in the south. NH Route 202 and Route 11 connect Rochester to communities in Maine and to Sanford Airport.

Shopping needs are primarily met in neighboring Rochester, although there are convenience stores and gas stations located throughout Milton and Milton Mills. Hospital facilities are located in Rochester, Dover and Portsmouth. There is a physician and dentist located in the town.

Milton's municipal government consists of an elected three member Board of Selectmen, Budget Committee, Planning Board, Zoning Board of Adjustment, five member School Board and numerous other volunteer boards and committees. The town has an excellent on-call Fire Department and Ambulance Corps. along with a well staffed Police Dept. and summer marine patrol. The Economic Development Committee stands ready to assist with new business venture and in the marketing of the towns 12 lot Business and Industrial Park. Newly –adopted zoning amendments have increased industrial areas within the town.

Recreational opportunities abound! The Winter Carnival held in February, is a weekend-long event with festivities held amidst a spectacular backdrop of snow as well as indoor activities for all ages. The annual 4th of July celebration in Milton Mills offers a variety of events for all. The Recreation Dept. sponsors programs throughout the year. Ice fishing and ice racing are popular winter sports. The warmer weather gives way to fishing, boating, swimming and relaxation at the Town Beach. Mi-Te-Jo Campground on Northeast Pond has seasonal sites available for tent and RV camping. The New Hampshire Farm Museum offers a nostalgic look at old-time farming and sponsors special programs throughout the year. Milton also boasts a vast array of civic organizations.

Town of Milton

FEBRUARY 12, 2000 FIRST SESSION (Deliberative)

The annual Town Meeting (articles of business in the Town Warrant) was held at Nute High School auditorium on Saturday, February 12, 2000. Meeting was called to order by Moderator, Leo E Lessard, at 1:05 pm. Moderator Lessard led those present in the Pledge of Allegiance to the Flag, followed by a moment of silence in memory of those members of the community who passed away this past year. Next, Moderator Lessard introduced the Board of Selectmen, "Steve" Gagne and Chris Jacobs. Selectman James Culverhouse was absent due to a death in the family. Town Administrator, "Mike" Feeney and Town Clerk, Carol L Martin, were introduced. The Budget Committee members, "Bob" Srnec, "Pam" Arnold, "Mike" Hickman, "Chip" Gehres, and John Hescock were introduced, as were the Supervisors of the Checklist, Rosemary Jeffries, Karen Brown and Cherie Gagne. Moderator Lessard set the "Ground Rules" to be used at this meeting. All amendments are to be in writing and Article 2 was not open to debate. After all articles are acted on, members of the Planning Board present would answer any questions on the Zoning Articles.

Article 3

Selectman, Chris Jacobs, seconded by "Bob" Srnec, made the motion to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant for the purposes set forth therein, totaling $1,870,989. Should this article be defeated, the operating budget shall be $1,779,929 which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: Warrant Article 3 (operating budget) does not include special warrant articles 4, 5, 6, 7, 8, 9, 10, 11, 14, 16, 19, 21, 22, and 23 and also does not include individual warrant articles 12 and 15.
David King, Tax Collector made note of an error in the Town Report on Page 93.
The overage for Tax Collector should be $5.69 **NOT** $600.69. This was to clarify the record. Motion carried.

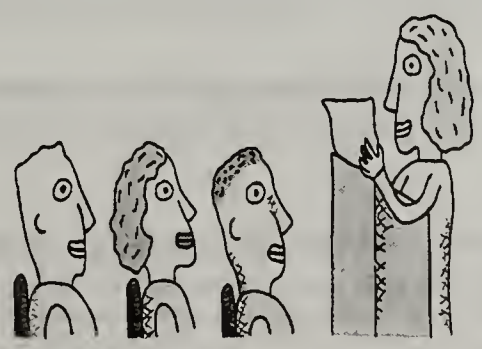
Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 3. Motion carried.

Article 4

Selectman, Steve Gagne, seconded by Bob Srnec, made the motion to raise and appropriate the sum of $275,000 for Highway Road Construction, of which at least $25,000 will be set aside for overlaying roads. This warrant will be non-lapsing for 2 years or until the project is complete, which ever comes first. Motion carried.

Steve Gagne, seconded by Pam Arnold, made the motion to restrict reconsideration of Article 4. Motion carried.

.



Article 5

Chris Jacobs made the motion to raise and appropriate the sum of $30,000 to be added to the Fire Departments Equipment/Apparatus Capital Reserve Fund previously established, seconded by Bob Srnec. Motion carried.

Pam Arnold made the motion to restrict reconsideration of Article 5, seconded by Steve Gagne. Motion carried.

Moderator Lessard made an announcement that there would be a "Meet the Candidates" night on March 9 at
7 pm at Milton Elementary School. All candidates to be notified.

Article 6

Chris Jacobs, seconded by Pam Arnold, made the motion to raise and appropriate the sum of $12,000.00 to be added to the Police Department Cruiser Capital Reserve Fund previously established. Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 6. Motion carried.

Article 7

Bob Srnec, seconded by Steve Gagne, made the motion to raise and appropriate the sum of $10,000.00 to be added to the Highway Department Equipment Capital Reserve fund previously established. Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 7. Motion carried.

Article 8

Steve Gagne made the motion to raise and appropriate the sum of $10,000.00 to be added to the Highway Department Truck Capital Reserve Fund previously established, seconded by Bob Srnec. Motion carried.

Pam Arnold made the motion to restrict reconsideration of Article 8, seconded by Steve Gagne. Motion carried.

Article 9

Steve Gagne made the motion to raise and appropriate the sum of $50,000.00 to be added to the Revaluation Capital Reserve Fund previously established, seconded by Bob Srnec. Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 9. Motion carried.

Article 10

Bob Srnec, seconded by Mike Hickman, made the motion to raise and appropriate the sum of $50,000.00 to be added to the Town Landfill Closure Capital Reserve Fund previously established. Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 10. Motion carried.

Article 11

Steve Gagne made the motion to establish a Capital Reserve fund under the provisions of RSA 35:1 for the purpose of bridge repair along the Milton/Maine Borders: to designate the Board of Selectmen as agents to expend and to raise and appropriate the sum of $30,000 to be placed in this fund, seconded by Bob Srnec. Motion carried.

Pam Arnold made the motion to restrict reconsideration of Article 11, seconded by Steve Gagne. Motion carried.

Article 12

Steve Gagne, seconded by Bob Srnec, made the motion to raise and appropriate the sum of $10,0000 for taking down the "Town Clock" at the Milton Community Parish House on Dawson Street if determined that the clock is owned by the Town. The clock shall be stored in a secure place. Administrator Feeney read a letter from the Church's Attorney stating that the Clock was a permanent fixture. Town Attorney Bates gave some insight as to the towns position on ownership of the Clock. ie the Town has no legal claim to the Clock and it seems to be a losing battle. Isabelle Eldridge presented several documents that stated the Clock was given to the Town of Milton and that the town cared for
the Clock and it was listed under Town Property in several Town Reports. Bob Bridges, seconded by Rosemary Jeffries, made the motion to amend the article to $0 . Amendment carried. The amended main motion to raise and appropriate the sum of $0 for taking down the "Town Clock" at the Milton Community Parish House on Dawson Street if determined that the clock is owned by Town, carried.

David King, seconded by Steve Gagne and Bob Srnec, made the motion to "instruct the Board of Selectmen to form a committee to negotiate with the Church Members on the Parish House and the Town Clock". Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 12. Motion carried.

Article 13

Chris Jacobs, seconded by Bob Srnec, made the motion that if article 12 fails, the town will authorize the Board of Selectmen to relinquish any and all interest in the "Town Clock" at the Milton Community Parish Church to the Milton Community Parish Church House on Dawson Street for $1.00. (This article is null and void if article 12 passes). Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 13. Motion carried.

Article 14

Steve Gagne, seconded by Bob Srnec, made the motion to raise and appropriate the sum of $10,000 to be added to the Ambulance Capital Reserve Fund previously established. Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 14. Motion carried.

Article 15

Chris Jacobs, seconded by Bob Srnec, made the motion to raise and appropriate the sum of $3,700 for the purchase of two police traffic radar guns. Motion carried.

Article 16

Cynthia Wyatt, seconded by Nancy Johnson, made the motion to raise and appropriate the sum of $5,000 to be added to the Conservation Fund previously established. Motion carried.

Pam Arnold made the motion to restrict reconsideration of Article 16, seconded by Steve Gagne. Motion carried.

Article 17

Steve Panish, seconded by Cynthia Wyatt, made the motion to deposit 50% of the revenues collected (which shall not exceed $5,000) pursuant to RSA 79-A (the land use change tax), in the conservation fund in accordance with RSA 36-A: 5, III as authorized by RSA 79-A: 25, II. Motion carried.

Steve Gagne, seconded by Pam Arnold, made the motion to restrict reconsideration of Article 17. Motion carried.

Article 18

Bob Srnec, seconded by Steve Gagne, made the motion to authorize the Board of Selectmen to enter into a lease agreement for approximately one acre piece of land in the town owned industrial park off White Mountain Highway, being a portion of the 58+/- acre parcel identified as Milton tax map 18, lot 10. The proposed lease is to a telecommunication agency for the erection of a tower. The lease is to be for a 5-year term, with 5 rights of renewal for additional 5 year terms, and on such other terms and conditions as determined by the Board of Selectmen. Motion carried.

Pam Arnold made the motion to restrict reconsideration of Article 18, seconded by Steve Gagne. Motion carried.

Article 19

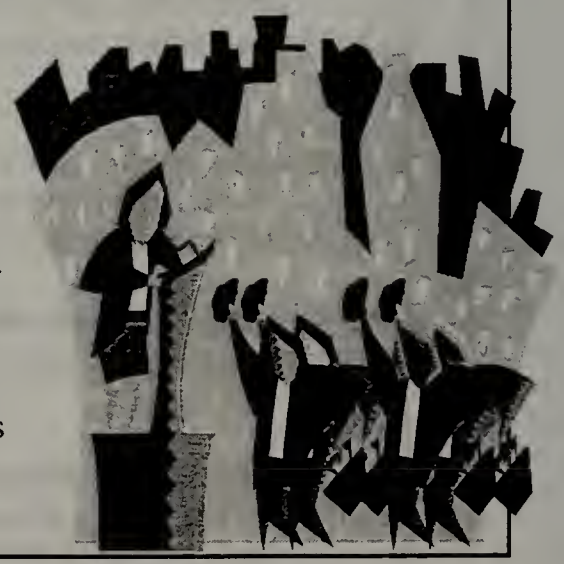
Chris Jacobs, seconded by Bob Srnec, made the motion to raise and appropriate a sum not to exceed $10,000 for deposit in the industrial park capital reserve previously established. This appropriation represents the amount to be received as rent from the year 2000 for the lease of the parcel in the town industrial park, as described in Article 18 above. If the voters do not approve Article 18, or if for any other reason the lease is not completed, these funds will not be deposited. Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 19. Motion carried.

Article 20

Nancy Johnson, seconded by Cynthia Wyatt, made the motion to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural, and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources. Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 20. Motion carried.



Article 21 **(PETITION)**

Steve Gagne, seconded by Suzanne Smith, made the motion to raise and appropriate the sum of $13,000 to be used to purchase lights for the ballfield at the Milton Town Beach. John Hescock made the motion to amend the article to $0, seconded by Mike Hickman. Amendment carried. The amended main motion to raise and appropriate the sum of $0 to be used to purchase lights for the ballfield at the Milton Town Beach carried.

Article 22 **(PETITION)**

Chip Gehres, seconded by Steve Gagne, made the motion to raise and appropriate the sum of $3,000 to be used to purchase infield mix and fencing for the ballfield located at the Milton Town Beach. Motion carried.

Pam Arnold made the motion to restrict reconsideration of Article 22, seconded by Steve Gagne. Motion carried.

Article 23 **(PETITION)**

Steve Gagne made the motion to raise and appropriate the sum of $3,000 to be used to purchase bleachers and netting (to prevent foul balls from reaching road) for the ballfield located at the Milton Town Beach, seconded by Bob Srnec. Motion carried.

Pam Arnold made the motion to restrict reconsideration of Article 23, seconded by Steve Gagne. Motion carried.

Article 24 **(PETITION)**

Steve Gagne, seconded by Bob Srnec, made the motion to reclassify Winding Hill Road to Evergreen Valley Road pavement from a Class VI to Class V. Public Works Director, Mike Smith, said that it was subject to "bars and gates" and that no distance was specified. Motion carried.

Pam Arnold, seconded by Steve Gagne, made the motion to restrict reconsideration of Article 24. Motion carried.

Article 25 **(PETITION)**

Ray Marcoux made the motion to pave the Winding Hill Road from Jerry and Mary Randall's property to Evergreen Valley Road, seconded by Steve Gagne. Steve Gagne, Selectman, stated that this was giving direction to the Board of Selectmen. Motion carried.

Steve Gagne, seconded by Pam Arnold, made the motion to restrict reconsideration of Article 25. Motion carried.

Article 26 **(PETITION)**

Steve Gagne, seconded by Pam Arnold, made the motion to authorize the Board of Selectmen to appoint a Director of Public Works. The current term of Director of Public Works will end at the town election of 2001.
Public Works Director, Mike Smith, questioned the term ending in the year 2001, when the ballot has a three (3) year term. This was clarified by Attorney Tim Bates. Motion carried.

Pam Arnold made the motion to restrict reconsideration of Article 26, seconded by Steve Gagne. Motion carried.

Article 27

Debbie Banks, Librarian at the Milton Free Public Library, wanted to change the Library Budget. Bob Srnec, Budget Committee Chairman, explained that this would come under Article 3, which has been restricted from reconsideration.

Steve Gagne, seconded by Carol L Martin, made the motion to adjourn. Motion carried. Meeting declared adjourned at 3:55 pm by Moderator Lessard.

Zoning Amendment 3	**Yes 394** No 321

Selectmen's Year End Review

The year 2000 is upon us and we the Board of Selectmen continue to work towards the goal of moving Milton forward. Whether you live in the Downtown or Village area, West Milton, Milton Mills, Pineland Park, St. James area or wherever you live, we work as one. Each and everyone of you is important to us and we strive to meet your expectations and needs every day.

This past year is highlighted by two long overdue undertakings where progress has finally been made. We are proud of these projects and hope that you share your pride with us in them.

The first and perhaps most impressive is the work on the Veteran's Memorial Park. The Town Common, which has long been a focal point, is now home to a fitting tribute to all of Milton's Veterans. The impressive Monument, flags, lighting, and a well done landscaping project stress Milton's commitment to our veterans. Our heartfelt thanks to our VFW and Legion members for all their work on this project.

The second undertaking this year was the opening of the Milton Industrial Park and our first tenant is up and operating there. Fittingly, after so many years, a Milton business has relocated there and with the addition of a communication tower and power to the area we look forward to further development in the upcoming year.

Ongoing programs and projects continue throughout our community. Once again, though the Town side of your Tax rate remained stable, we have rebuilt miles of road. Hare, Governor's Jug hill, Townhouse, and others all saw work on them this past year. Additionally, we have purchased new equipment for our highway crew to make their jobs easier and help keep down future costs. The Town Grader, (from our own pit), keeps our many miles of dirt roads in their best shape in years.

The Ballfield at the Beach is nearing final completion with a new infield, additional fencing and more making a wonderful park. Though the Town has helped and assisted here, many THANKS to a solid core of Volunteer townspeople and coaches who continue to keep this project going. A Bandstand is being located at the Beach to offer more in the area of entertainment and with the new Post Office across the street the area is becoming a beehive of activity.

We are a growing community, witness the issuance of over 40 new housing permits this year. We are a community that is working to meet its Citizen's expectations. With the support of residents from all corners of Milton we will continue to take on the challenges presented to us and together we will make a difference.

We value your input, your ideas, and your support. Thank you for all of them.

Jim Culverhouse, Chairman
Chris Jacobs, Vice Chair
Steve Gagne

Town Administrator's Report

The theme of this year's report is Milton on Track as the Town heads into the 21st century.

The Town is on the edge of the seacoast housing curve. In 1999, we had 19 new starts and in 2000, we have had 49 new starts. The real estate market is hot and Milton continues to be a desirable place to live. Unofficially, there were 170 sales in 2000. Approximately 58 of the sales were single family residences; approximately 45 sales were for vacant land.

The Town is facing rapid growth and this brings demand for more services and more efficient services. The Selectmen, volunteer boards and town staff are planning for the future while trying to stay grounded in the present. We are making plans for more efficient services and more effective service, while trying to keep a lid on the Town budget.

We are moving ahead with the capping of the landfill with plans to take advantage of state funding and the revolving loan programs. We will be asking residents to vote for a bond at the 2002 Town meeting.

We have solicited opinions from residents on what they want at the Transfer Station. We have budgeted for a third operator to keep both compactors open at the same time—this should speed up the Saturday and Sunday drop off times for residents. It will also help lessen the safety problem of having a line of cars backed up on 125 on weekend days. We are also scheduling late hours for Friday drop off.

The Planning Board is developing a schedule for updating the Master Plan and the associated activities of community surveys and charrettes. Public meetings will be held in Milton and Milton Mills. Zoning ordinances will be looked at and pubic opinion listened to —residents will have a direct say in the future of the Town through the Master Plan update.

The Police Department will be fully staffed at the time of this publication. Our "new" Chief has settled in and made great strides to keep our quality officers and to bring equally qualified officers to Town .

Our Public Works Director has continued with a successful road reconstruction program and has budgeted for a new sidewalk reconstruction program. His survey of the residents at the Transfer Station led to the planned new operating procedures. He has taken a hard look at the Public Works equipment and has set a time table for replacement of the older equipment. He has also maximized new equipment purchases—an excavator, a grader, and a tractor/ snowblower.

The Fire Department has purchased a "new" fire engine and feels confident the Department can continue to provide its excellent coverage for fire fighting and ambulance services.

The Recreation Program continues to grow, almost faster than our ability to manage it. The Recreation Director has made great strides in providing new programs and maintaining existing programs. New programs are in the works as well as new ball fields.

Town Hall continues to provide timely services even with the increase in building activity which translates into more service from the Tax Collector, Town Clerk, Bookkeeper , Deputy Assessor, and the Town Assessor. Keeping up with the physical growth means keeping up with more registrations, more assessing, more paperwork, and on time tax billing and collection.

The Milton Industrial Park has taken off with one new tenant, a cell tower, and plans for a state of the art recycling plant. We are also working on grants for a daycare/eldercare center for the Town.

Volunteers have added much to the town landscape this past year. The Veteran's Park is a real asset to the Town. The Gazebo at Milton Mills and the Bandstand at the Town Beach are also great additions to the quality of life in Town. These additions were completed with great volunteer effort.

The Town is on track and it is moving forward like the train on the cover. It takes commitment from the residents to understand that the Town is changing and a willingness by the residents to support "new" efforts to provide better services, not just the necessary more services. Resident support is critical. Hard work and constant "fueling" by the Selectmen keep us rolling along. Volunteer effort helps guide us along the track. Hard working and dedicated employees keep the track and the engine well maintained and in good working order.

The year 2001 promises to be as challenging as the year 2000. We look forward to the challenges and to successfully meeting them.

Respectfully submitted,

Vic Richards

Public Works Department
Highway

I would like to take this opportunity to thank the townspeople for their support during the past year.

The Highway Department has had many challenges through out the year and has met every one of them with success, due to the hard work and dedication of the Highway Crew. These men are our first line of safety; without them, our Police Fire and Ambulance would not respond in the efficient manner in which they do.

We have completed another year of road reconstruction with approximately two miles completed throughout Milton and Milton Mills. Governor's Road, Hare Road, Jug Hill Road and Allen Hastings Way have been repaved; overlays have been applied to Town House Road and Northeast Pond Roads.

The purchase of the grader and the excavator helps with our roadwaork and our general maintenance.

The mining and crushing of gravel in the Town gravel pit has helped lower the cost of road reconstruction, allowing us to complete more roads. We plan to continue with our road program in 2001.

The goals we have set for 2001 are:

Set up a sidewalk reconstruction plan
Purchase a new dumptruck
Continue roads work
Continue ditching roads

On behalf of the Highway Crew, we look forward to serving the people of Milton in 2001.

Respectfully submitted:
Patrick Smith
Public Works Director

Public Works Department
Solid Waste

The Solid Waste Department has had a very busy year. We have changed our permits to annual permits. Annual permits will be issued during the month of December every year. The purpose of this is to ensure that only Milton residents use the Transfer Station. We apologize for any inconveniences this may have caused.

We are trying to make preparations to cap the landfill. Capping should be completed by the year 2002. We ask the townspeople for their support in this process.

Our goals for 2001;

- Change the hours of operation to better serve the public
- Open two compactors during hours of operation

We thank the townspeople for their support, and look forward to serving the people in 2001. We encourage and appreciate any suggestions to better serve the public.

Respectfully submitted:
Patrick Smith
Public Works Director

Solid Waste Tonnage Comparasion 1999 to 2000

	Compacted Rubbish	Bulky Items	Mixed	Paper	Construction Debris
1999	544.71	232.72	111.49	110.37	
2000	673.49	92.51	91.01	19.32	145.16

In 2000, residents recycled less paper and mixed recyclables than in 1999. Compacted rubbish is up--could be more houses or less recycling or a combination of the two. We have shipped our construction and demolition debris to be recycled and we receive revenue back on a per ton basis. We are looking at ways to increase recycling revenue and are considering ways to reduce our transportations costs. One idea is to buy our own flatbed and transport the recyclables ourselves.

MILTON POLICE DEPARTMENT

The Milton Police Department has undergone some major changes throughout the year. Due to the positive job market, we have lost several staff members. We are currently in the process of hiring two officers. I am optimistic that all officers will be on board and fully trained by summer. Currently one officer is at the Police Academy and will be on the streets by the end of February.

During the year, we have seen a rise in motor vehicle accidents and property crimes. We hope to focus our energy in the coming year to reduce these incidents.

I want to thank the employees of the Police Department who, due to the personnel shortage, have worked the extra shifts in order to properly provide coverage for the Town. Once again, the boat patrol was a big success last summer. Our thanks to Officer David Johnson for keeping our waterways safe for all.

I appreciate the warm welcome that I have received from the citizens of Milton. I wish to thank everyone for your support. The entire department looks forward to serving the residents of Milton in the coming year.

Sincerely,

Mark A. McGowan
Chief of Police

Goodall Hospital	4
No Transports	100
Canceled Enroute	4

Rochester Paramedics Requested on 33 calls.

As you can see from the above numbers we are still going up on the number of calls we respond to.

We have several members who have either just completed or are in the process of completing their E.M.T. (Emergency Medical Technician) certification. This will be a great addition to the Milton Ambulance and to you the members of the community. Being an E. M.T. is not for everyone, but I feel that the members that we have are some of the finest in the area.

In closing, I would like to thank the very dedicated members who miss meals, sleep, and family functions to serve the Town of Milton.

Respectfully submitted,

John A. Lucier
Milton Fire Chief

Milton Fire and Rescue

The Milton Fire-Rescue made the following runs through November 30, 2000. Due to time restraints (SB2) we cannot give a complete year report.

Total Calls for 2000 (as of Nov. 30, 2000) 252

Total Calls for 1999 261

Call Breakdown:

Structure Fire	6	MVA's	44	Mutual Aid Given:			54
Forest/Woods/Brush	9	MVA	19			Rochester	7

Other	7	Vehicle Fires	11				
Train Accident	1	Furnace Problem	4	Mutual Aid Received:			10
Flooded Basements	2	Public Assist	1	Gas Stove Fire			1

As you can see we are again going to set a new record for service in the year 2000.

Y2K came and went without a hitch. The services at the town level were more than ready for any "bug" that might have affected us as a community. Thanks to all who made this transition a smooth one. The fire and police were staffed thru the night in case of any glitch in the system.

On December 3, 1999, a very tragic fire struck the City of Worchester, Ma. Six firefighters were killed in the line of duty. Several members of the Milton Fire Department traveled to Worchester to represent the Town of Milton at the memorial service for our fallen brothers. It was probably the most eye opening experience that any member of the fire service has ever experienced. To sit with 30,000+ fellow firefighters and to see the great loss to the families and the community was overwhelming. You can argue till your blue in the face as to whether they should have been in the that building but if a firefighter suspects someone is in a building, they will go in to search for that victim, GAURANTEED!!

We have experienced a lot of traumatic incidents over the course of the year just in the Town of Milton. We had a double fatal accident on the Turnpike that was very traumatic to all those involved. But as professional as the members are, they do an outstanding job of putting the shock on the back burner and take to the task of assisting those others involved who need our assistance.

The residents of Milton should be proud of those who serve them. I know I am.

Respectfully submitted,

John A. Lucier
Milton Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the State. Each Town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with fire towers being the first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, fire or timber harvest laws, please call our office at 271-2217.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department **BEFORE** using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing **ANY** outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

Milton Recreation
Year 2000 Report

Milton Recreation has gone through many changes this past year. With the inclusion of the town beach and a full time recreation director, Milton Recreation has now started to grow with leaps and bounds.

Many improvements have been done at the beach with more to come in the future. The Bandstand is going to be ready for the spring of 2001 and many events are in the works. The buildings and grounds are being spruced up. We want Milton beach to become a great attraction for everyone in the area.

Milton Recreation held it is first Summer Camp. This program was a huge success and has the bright future. Among the other new programs started in 2000 are the Senior Trips and Senior Dinners. There were many new programs for youths introduced in 2000 that had some interest in. These programs will be re-introduced and many more to service the residents. The Recreation Department hosted a number of events throughout the year including, the 5K Black Fly Road-race, Easter Egg Hunts, Winter Carnival, Halloween Day at the Farm Museum and Halloween Party. All residents should look forward to participating in next years' Golf Tournament as well as other special events.

Recreation facilities are a big priority in the Recreation Department. There are a plan in the works to construct more sports fields and playgrounds. Lockhart Field is in need of renovation as well. Presently, The Town Beach field is the only field safe enough to play on. We have developed a policy for field usage that will reduce wear and tear on the field. This may cause problems further down the road if more fields are not constructed soon. The lack of Space has halted some growth of programs but thanks to the school, many of these new programs have begun. With a Recreation Center, the Recreation Department could offer something for everyone to enjoy.

Special Thanks to all the Volunteers, who helped with our sports programs and special events throughout the year. Volunteers help make the recreational programs successful. I urge everyone to get involved with the Recreation Department. Without your support, the recreation department would not be what it is today.

Respectfully Submitted,
Greg Bisson

Milton Planning Board

The Milton Planning Board had a very busy year. As the population grew in the area, we experienced a number of subdivisions, site plan reviews, lot line adjustments and the approval of four personal wireless service facilities.

The Board also started planning for a new Master Plan. Our last Master Plan was completed in 1994. With the assistance of Strafford County Regional Planning, the Board will be examining land use and getting input from the citizens of Milton regarding our future planning directions.

The Board also continued work on the Capital Improvement Program (CIP). The CIP along with the Master Plan are necessary elements to check and plan for growth.

The Board spent time revising our personal wireless service facility site review and zoning to reflect the need to provide wireless service to the citizens and preserve our visual vistas.

Brian Boyers stepped down as Chair and was replaced by Nancy K. Johnson.

A new secretary was hired. Joan Goodrich is a wonderful asset to the Board. We thank her for all her hard work.

Two new alternates joined the Board this past year. They are Laurie Palmeira and Michael Tabory. Michael was appointed to replace Brian Boyers until the next election. Our two new members have brought us new ideas and insight and we are thankful to them.

We are also thankful for Don Hanefeld. Among his many accomplishments was the official zoning map for Milton.

The Planning Board consists of some of the most dedicated and knowledgeable volunteers in Milton.

The Planning Board's challenges for 2001 include approval of the CIP, review of our Zoning Ordinances, Master Plan Update and growth management in Milton.

Report of the Zoning Board

In 2000, the Zoning Board of Adjustment (ZBA) heard several appeals , which invovled applying the intent of the Town of Milton's Zoning Ordinance, as well as the state laws which govern the boards actions, to each request for action

The ZBA, whenever possible and practical, holds joint meetings with the Planning Board, in order to expedite the decision making process for applicants.

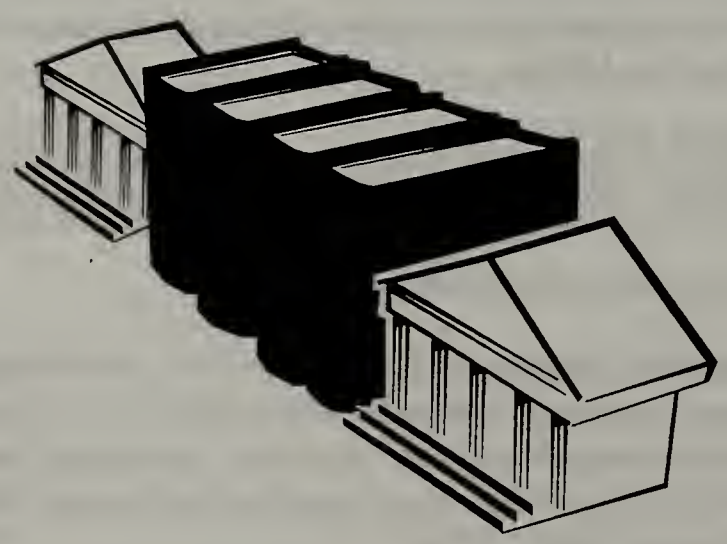
ZBA members are elected volunteers. Alternate members are appointed by the Board. The members serve in a quasi-judicial capacity and must make decisions on appeals based on the merits of a submitted application, along with the testimony given at a hearing. Members not only volunteer their time by attending meetings, but they also must do research and make site visits.

Our meetings are scheduled on an as-needed basis, when applications are submitted. They are held in the Teneriffe Building and are open to the public.

Residents are encouraged to run for open offices. You may also contact one of the members or the Town Office regarding an interest in being appointed as an alternate.

Respectfully Submitted,

Town of Milton Zoning Board



Milton Winter Carnival
Year 2000 Committee Report

Our 8th annual *Celebration of Winter, Community Spirit and Pride* was certainly one for the history books! Our Winter Carnival was the first major town event of the 21st century and we had a tremendous amount of snow for the first time in years. A near blizzard besieged us during Opening Ceremonies, but the *"Star Spangled Banner"* as sung by our special guest, Laureen Thomas, brought warmth to our hearts and tears to our eyes! Later in the day, the sun was shining and the snow was melting.

Congratulations to our Year 2000 Student Logo Contest winners! Their art was pictured on the following: Programs – Heidi Porter, Sweatshirts – Ervin Morann (back) and Nicole Boucher (front), Posters – Edmund Mitchell and Balloons – Eddie Littlefield.

The Loyal Order of the Moose Lodge opened its facility once again to the community and for the first time to the llamas from Burnham Farm. Generous donations from the Lockhart Fund, Tremblay and Sons, Mitchell and Bates, P.A., Ray's Marina and the Milton PTA allowed us to host a variety of family entertainment free of charge. Donations from numerous local businesses and individuals made our first Silent Auction to benefit the Drug Abuse Resistance Education program a great success. Brian Tutt and Explorers braved the weather to run the children's fishing derby, while Steve Gagne took about six months to regain his voice after standing out on the ice to call the results of the snowmobile races. (It takes us awhile to get used to seeing him without the megaphone in his hand!)

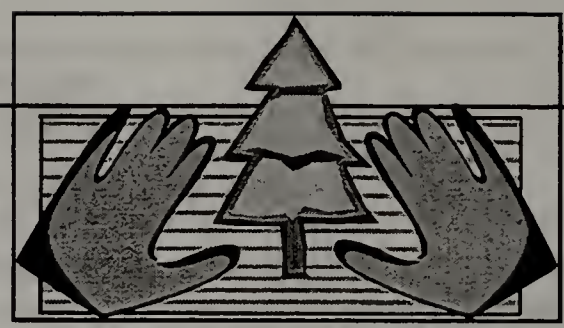
We are also very grateful for the continued support of the Spinale family and restaurant staff, the members of the Loyal Order of Moose Lodge, the State of New Hampshire Department of Safety, the New Hampshire Farm Museum, the Evergreen Valley Snowmobile Club, Boy Scout Troop 155, Cub Scout Pack 155 and the New England Ice Racing Association. Special thanks to our Snowman Sign Patrons and to Tom Drew for his annual repainting of the dates. This event also brings the Winter Carnival Committee, Selectmen, Recreation Department, Police Department, Fire Department/Ambulance Corps and Public Works Department together for the benefit of the townspeople.

We cordially invite you to *come and celebrate winter with us* on February 17th!

Respectfully submitted by the Year 2000 Winter Carnival Committee:

Rosemary Jeffries, Co-Chairman, Jim Culverhouse, Co-Chairman
Karen Brown, Entertainment Coordinator, Jodie Kimball, Treasurer
Fred Fowler, Steve Gagne, Gary Tremblay, Sue Tremblay, Scott Baggs,
Greg Bisson, Ralph Garbart, Jim Clark, Jon Stevens and Mike Feeney

Milton Conservation Commission



The year 2000 began well for conservation in Milton. All 3 Warrant Articles sponsored by the Conservation Commission (CC) were approved by the town vote. Most important is the establishment of a yearly appropriation of $5,000 for the previously moribund Conservation easements, or other forms of land preservation. Although $5000 is not a large amount of money, state RSA allows a Conservation Fund to accumulate. After several years a useful amount of money will exist. Such ready capitol is often necessary to secure state and federal conservation grants, which typically require a match from the Town.

The town also voted to deposit 50% of the funds collected from the Land Use Change Tax to the Conservation Fund. Typically, this tax does not generate significant revenue. However, development will increase the revenue, and it is appropriate that the loss of undeveloped land results in a contribution to a fund that promotes conservation.

Lastly, the Town overwhelmingly approved a resolution calling for the state to create the Land and Community Heritage Investment Program. This program will help to protect New Hampshire's natural, cultural and historic resources, which are rapidly being lost to Development.

The CC commissioned a Natural Resource Inventory (NRI) to be conducted on the Jones Brook Watershed. The NRI revealed that much of the backland remains pristine and contains significant wetlands and prime wildlife habitat. The CC also has obtained Geographical Information Systems maps of the town and is using them to create a NRI for the entire town. These maps detail such features as aquifers, wetlands,soils,slopes, conservation lands, and rare and endangered species. The NRI will be made a part of the Town's new master plan.

Once again we want to thank Dick Shevenell and the Lay Lakes Association for Monitoring the state of the 3 Ponds. Dr. Jim Haney presented their findings at a well Attended public meeting in June. We hope that this will be a yearly event.

Respectfully Submitted,

Marion Trafton, Chair
Ken Lavoie, Vice Chair
Steve Panish, Secretary

MILTON FREE PUBLIC LIBRARY

The trustees are pleased to report a very busy and eventful 2000.

The library director submitted the following statistics:

Visits	3,626
Items Borrowed	6,538
Books Added	834

AA donated around $500 to the library, as well as assisting in making bookshelves for us. The Rick Stacy Scholarship donated $50. Elsie Huggard made a very large donation of about 250 non-fiction books. Miriam Place, Steven Krik, Roxanne Maleham, The Bank's Family, Kane family, Corbet family, and many more made donations of new and used books, videos, audio, and many other items to the library.

The summer reading program was the Reading Patch Club. We had 17 kids sign up, with over 506 books read. The program continues due to its huge success. We also have American Girl Reading Incentive going on throughout the year.

We received sponsorship from CLIF (Children's Literacy Foundation). Through this Sponsorship, we received over $1200 in new children's and young adult books. The books consisted of award winners, non-fiction, fiction, and biographies. There was a Presentation ceremony held on November 26, 2000. The 24 kids and 10 adults were entertained with storytelling, finger plays, and singing. The library and the children have been enjoying the wonderful new books that this sponsorship brought to the library.

We held our annual Easter Egg Hunt at the Library with the help of the Trustees and Library Director. 28 children quickly found the 325 eggs that were hidden. They did not leave any leaf or stone unturned. It was a beautiful, sunny day and much fun was had by all who attended.

The trustees and director, on behalf of out town, want to extend our sincere gratitude to all those patrons, and friends who so generously gave their support an tine to the Library. We need your continued support and welcome your suggestions.
We look forward to a new year of serving the Town of Milton.

Respectfully Submitted,
Liz Kelly, Chairman
Les Elder, treasurer
Nancy Johnson, Secretary

ASSESSOR'S REPORT

The Town of Milton began using George Hildum, CNHA, as its contract assessor in 2000. Mr. Hildum, with the help of Terri Corbin, Assessing Clerk, assisted the Board of Selectmen in carrying out their statutory assessing duties.

With an improving real estate market, the general level of property assessment in town decreased from 124 percent market value in 1998 to 116 percent in 1999. It is anticipated that the general level of assessment will be even closer to 100 percent of market value in 2000. The last town-wide revaluation was in 1991 so the town will need to continue to plan and prepare for a full revaluation.

The assessing office continues to update the tax maps, property record cards, current use, exemptions and credits on an annual basis. Taxpayers are advised to review the tax maps and their assessment cards for accuracy and advise of any discrepancies. The assessment records are available for review during town office hours and the assessor is available to meet with taxpayers at least twice a month. Please contact the assessing clerk if an appointment is desired.

Respectfully submitted:

George Hildum, CNHA
Assessor

Code Enforcement Officer

This year the building department issued fifty single family dwelling units this year, of this were forty-four homes and six manufactured homes. This represents an increase of twenty-four more new homes and a decrease of three manufactured homes. There were also ten permits issued to replace older manufactured homes. Commercial permits consisted of six, two commercial buildings and four cellular communication towers.

The total number of permits increased from one-hundred sixty-nine permits to one hundred eighty-five permits.

Sexual Assault Support Services

Sexual Assault Support Services has served two New Hampshire counties and five towns in southern Maine for the past twenty-one years. The demand for both our crisis services and educational programs continues to grow. We offer the following services to the Town of Milton:

- 24 hour toll-free sexual assault crisis hotline: (888) 747-7070
- Northern Strafford County Outreach Office located in Rochester (332-0775)
- 24 hour accompaniment to police stations and hospital emergency rooms for sexual assault victims
- Support groups for rape survivors, sexual abuse survivors, parents and others affected by sexual assault or abuse
- Child sexual assault prevention education programs in area schools, recreation programs, camps and scouts
- Sexual abuse and sexual assault prevention education in schools for children, teens , and parents
- Professional training and consultation to police departments, hospitals, and school personnel and human services agencies

- Sexual harassment workshops for teachers and students

The primary objectives of Sexual Assault Support Services are to empower survivors and to support them in their healing process and to educate the community, heightening awareness of sexual assault and its prevention.

Sexual Assault Support Services has provided services for 20 years. Volunteers are welcome and are utilized in all aspects of the program. Fur further information regarding our program please contact us at (603) 436-4107

Rochester/Rural District Visiting Nurse Services & Hospice
TOWN REPORT 2000

Rochester/Rural District Visiting Nurse Services & Hospice continues to serve your community as a private, independent, non-profit home health agency certified by Medicare and licensed by the state in home health & hospice. We provide skilled nursing care, physical, occupational and speech therapy, medical social workers and home care aides to meet personal care needs and homemakers. We are supported by a dedicated group of volunteers providing companionship and respite to patients and families. Throughout the many changes this year, our focus has remained on what matters most: providing compassionate, cost-effective, quality care to our patients.

Our Board of Directors, including your Board Representative, Mary MacArthur, continues to assess the health care environment in Milton to ensure that decisions we make are in the best interest of your community.

We remain committed to providing you with only the best in home care services. The merged Agency has provided us with many things including: stronger specialty staff who are more highly skilled in their specialties, increased availability in time of staffing absences and reduced health and dental insurance costs for our staff. We are in the process of building a new office located on Route 11/on the Rochester-Farmington town line. This will allow us additional reductions in expenses and a more central location in relation to all our communities.

Rochester/Rural District Visiting Nurse Services & Hospice remains committed to serving patients regardless of their financial circumstances. Your town contributions are essential to meeting the many home health and hospice needs in your community. Please know that you have a right to choose. Choose quality with a long-standing commitment to your community. **Ask for Rochester/Rural District Visiting Nurse Services & Hospice by name.**

We are proud to be meeting your home health and hospice needs and look forward to working with you in the future.

Cemetery Trustees' Report

To the extent that 2/3 of our Board was appointed (we trust there will be a candidate for the current open Board position) we have refrained from making wholesale changes. Pat Smith, Public Works Director, was appointed Sexton to recognize that he in fact handles the day-to-day direction of operations. Marty Shaw was engaged for cemetery maintenance, and was extremely busy this Spring, since last Fall's leaves were still awaiting removal. Dave Conrad worked with him, and the Public Works Department gave us much assistance with transportation, supplies, etc. We are hoping to contact land owners who surround some of our more remote cemeteries to help keep them looking good. With some 89 cemeteries, it is often difficult to provide all with proper attention.

David V. King, Chairman

Trustees of the Trust Funds
2000 Annual Report

The Trustees of the Trust Funds are responsible for handling the investments and disbursements of Trusts left to the town, Cemetery Perpetual Care Funds and Capital Reserve Funds. Our Trust Funds include the Geneva Lockhart Fund, the Nute Common School Fund, the Carl Siemon Scholarship Fund and the Rodney Nason Scholarship Fund. In 1999, we established the Bandstand 2000 Fund.

The Geneva Lockhart Fund allowed us, once again, to promote beautification and betterment projects throughout the town, as well as to care for animals. The Milton Mills Animal Protection Service was granted $500 and we extend our deepest appreciation to Susie McKinley and company for all their hard work in caring for our lest fortunate animals in town. The Town Beach has a new flagpole and flag, flowers and shrubs graced the grounds around the Town Office and money was granted towards the gazebo built as a Boy Scout project in Milton Mills.

Bandstand 2000 at the Town Beach has become a reality through the generous donations of townspeople and businesses. A tremendous total of $5,276.00 was donated, in addition to a Community Grant of $2,200.00 from PSNH and $400.00 in volunteer credits. An amount of $5,276.00 will also be matched by the Lockhart Fund towards construction costs and landscaping at the Beach. The Future Builders of America have made progress on the construction, under the tutelage of Greg Bisson, our devoted Recreation Director.

In the year 2000, $5,934.75 in interest from the Nute Common School Fund was turned over to the Milton School District. Since 1989, the total amount from this fund has totaled $80,095.09. We were very happy to see $1,700.00 allocated this year by the School Board to the Nute Music Program.

The interest from the Cemetery Perpetual Care Funds covers the costs of maintaining individual or family lots, cleaning headstones and placement of Memorial Day flowers for those who have established funds with the Trustees. In 1989, $5,341.94 was turned over to the Milton Mills Cemetery Association, $2,951.24 to the Town of Milton and $647.00 was expended for flowers.

Letters of request for consideration of Lockhart funds for projects may be addressed to Trustees of the Trust Funds, c/o Elizabeth J. White, 40 Hare Road, Milton, NH 03851.

Additional information can be found in our detailed reports, printed elsewhere in this book. These reports are filed with the state annually, as prescribed by law.

Respectfully submitted:

Elizabeth J. (Bette) White, Treasurer
Steven M. Jeffries, Secretary

Tax Collector's Report

As the year has progressed, implementation of additional procedures has streamlined the processes in the office. While the total amount of taxes outstanding has increased, the percent paid has remained constant for the year prior. With the appointment of Terri Corbin as Deputy Tax Collector, the office's availability has increased

David V. King, Tax Collector

Taxes Outstanding at year end

	This Year	Last Year	Prior Years	Total	% of Current Commitment Paid
Total Due 12/31/99	$340,517.00	$180,198.00	$133,670.00	$654,385.00	88
Total Due 12/31/00	$466,625.00	$113,932.00	$132,481.00	$713,038.00	88

MILTON WASTEWATER DEPARTMENT

The wastewater facility treated 19,055,300 gallons of sewage at an average daily flow of 52,000 gallons. We are still at 50% of plant design capacity allowing room for growth within the community.

The biochemical oxygen demand (BOD) removal efficiency averaged 91.0% and the total suspended solids (TSS) removal efficiency averaged 86.3%. The annual whole effluent toxicity test passed with no indication of the plant effluent having a toxic effect on the Salmon Falls River.

All the equipment is operational and in good condition.

A new 5-year discharge permit was reissued by the USEPA and NHDES and requires the Milton facility to reduce its phosphorous discharge into the Salmon Falls River. This will require everyone in the Sewer District to use phosphate free dishwasher detergents. The alternative is to add equipment to the facility which could double the user fee. The Board of Commissioners will be holding public hearings this spring to explain this issue in detail.

There will be an engineering study done in 2001 to determine if the sludge has to be removed from the lagoons. This is a result of more frequent total suspended solids exceedances.

Respectfully Submitted,

Dale Sprague
Plant Operator

Milton Sewer Commission
Collector's Report
For Year Ending December 31, 2000

PARISH HOUSE CLOCK TOWER REPORT

It is the conclusion of the Clock Tower Committee that the best way to preserve the clock tower is to keep the structure intact and acquire the building for community services through multiple funding sources.

The Parish House has a meeting area with a small stage accompanied by a kitchen facility on the first floor. This area is handicap accessible except for the bathrooms. The second floor is divided into a number of classroom-office space units by a stairway.

The project should seek funding for jacking the first floor, improving parking facilities, servicing the clock, providing handicap access to bathrooms and second floor, and patching roof and steeple.

The building is presently used by the Young At Hearts, AA, Women's Club, Brownies and Girl Scouts, Women's Union, Silver Sneakers, Parks and Recreation, and is also used for parties, showers, and receptions on a donations accepted basis. A user fee schedule is suggested to cover utility costs.

The Clock Tower Committee concludes its report by strongly urging the Selectmen to actively pursue the above recommendation. It is suggested that the Selectmen support the undertaking by soliciting more Committee members and commit office staff time to the project.

The Committee understands a sale of this facility will take place within a couple of years and recommends the Town begin a fund raising effort toward an eventual purchase.

Respectfully submitted:

Vic Joos

ANNUAL REPORT OF THE BUDGET COMMITTEE

The Budget Committee has nine members, six of which are elected and called members-at-large and a representative from the Board of Selectmen, the School Board, and the Water Precinct. The Committee meets monthly through out the year, on the third Thursday of the month, to review expenditures submitted by the governing bodies. In addition, the Committee has the right and the duty of putting together the budgete that will be presented and acted upon by the voters at the Annual or Special Meeetings.

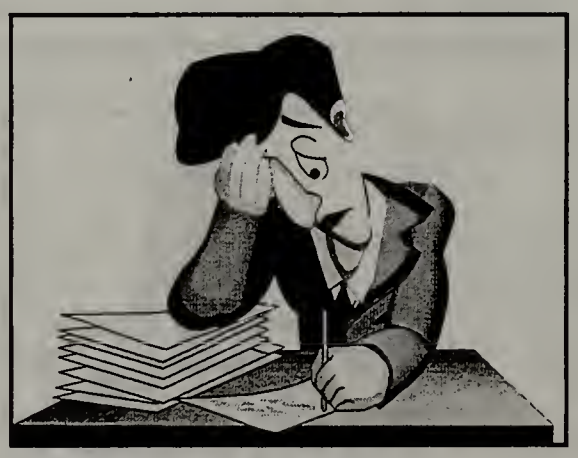
From September through January, the Committee is busy preparing new budgets for the Town, School and Water Precinct. The Public Hearings on the bidgets take place in January and the first part (Deliberative Session) of the Annual Meeting is held in February. Once the Deliberative Sessions are over, the Bidget Committee will spend more time reviewing expenditures submitted by the governing bodies.

Meetings are held at the Teneriffe buidling and are open to the public. The Committee welcomes input from the residnets.

Respectfully submitted on behalf of the Budget Committee.

Marylin L. Pike, Secretary

At-large members: Pam Arnold, James Clark, Vice Chairman Les Elder, John Hescock, Mike Hickman and Chairman Bob Srnec; Representing the Board of Selectmen, Steve Gagne; representing the School Board, Kym Boulanger; and representing the Water Precinct, David Paey, Sr.



WEDCO ANNUAL REPORT

WEDCO (Wentworth Economic Development Corporation) is a nonprofit 501(C)(3) regional economic development corporation. It was founded for the sole purpose of promoting economic growth in the Eastern Lakes Region. Our assistance is available at no cost. Strict confidentiality of client information is maintained.

Through its board, committees and employees, WEDCO will act as liason for you with our member communities, NH Office of State Planning, NH Department of Resources and Economic Development, NH Business Finance Authority and many others.

WEDCO is ready to assist anyone to start a new business, to expand an existing business or to relocate an existing business. We can assist in applying for financing, developing business plans, consulting with experts, and obtaining training.

In the Town of Milton, two projects are underway as of this writing:

First, WEDCO is partnering with the Town of Milton and Northeast Resources Recovery Association (NRRA) to place a plastics recovery and manufacturing plant in Milton's Industrial Park. This plant will be built without impacting Milton's tax rate. When completed it will add to our tax base and provide more tax revenues for the Towns needs. In addition it will draw plastics from our transfer station (as well as a wide area in the northeast) that are not recycled at this time This is a clean industry with no impact on the environment.

Second, WEDCO is working with The Town of Milton and Strafford County Commissioners to place a Pre-school/Headstart/Childcare/Senior Center in the Industrial Park. This project is in the very early stages, but the objective is to build this Center without Town funds. Such a Center will make Milton's Industrial Park much more attractive to industry as well as provide a great service to Milton residents and residents of the surrounding area.

Watch for monthly updates on both projects in Milton's Newsletter.

Denise-Roy Palmer----------Executive Director
Don Hanefeld ----------Milton Representative

Major Revenue Trends

The **General Fund** is the general operating fund of the Town of Milton. It is used as the source of funds for budgeted operating expenditures and capital outlays. The General Fund does not provide sources of funding for special projects or reserve expenditures. Major Revenue Sources which are placed into the General Fund are:

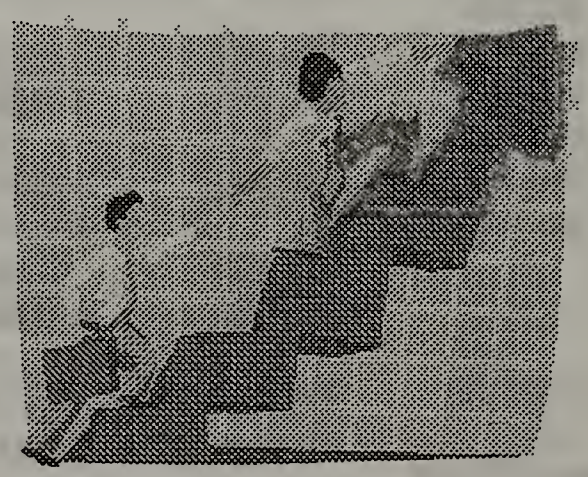
- Taxes
- Licenses and Permits
- Intergovernmental Revenues
- Charges for Services
- Miscellaneous Revenue

Taxes: There are several taxes which are collected: property tax, land use change tax, yield tax, boat tax and interest and penalties on taxes.

	1997 Fiscal Year	1998 Fiscal Year	1999 Fiscal Year
Property	$4,379,348	$4,385,594	$1,164,916
Excavation	$0	$9,855	$7,411
Yield	$10,745	$17,458	$3,712
Boat	$9,862	$10,554	$11,305
Interest and Penalties on Tax	$110,852	$97,110	$109,060
Total Taxes	**$4,510,807**	**$4,520,570**	**$1,333,190**

License and Permits: Licenses and Permits include motor vehicle permit fees, building permits, and other licenses and permit fees.

	1997 Fiscal Year	1998 Fiscal Year	1999 Fiscal Year
Motor Vehicle Fees	$317,431	$344,859	$387,838
Building Permits	$6,899	$7,534	$13,570
Other Licenses, Fees	$4,481	$8,024	$6,510
Total License and Permits	**$328,811**	**$360,420**	**$407,918**



Intergovernmental Revenues: Intergovernmental Revenue is revenue from state agencies and the federal government.

	1997 Fiscal Year	1998 Fiscal Year	1999 Fiscal Year
State:			
Shared Revenue/Grants	$128,979	$125,982	$47,529
Meals and Rooms Distr.	$40,701	$56,110	$71,554
Highway Block Grant	$81,954	$80,290	$80,960
Water Pollution Grant	$81,810	$77,520	$73,170
Railroad Tax			
Other	$10,613	$12,818	$20,723
Federal:			
FEMA Grants		$56,881	
Department of Justice	$67,513		
Other	$7,833	$38,205	$16,758
Total Intergovernmental	**$419,403**	**$447,806**	**$310,694**

Charges for Services: Charges and fees generated from Departments within the Town of Milton.

	1997 Fiscal Year	1998 Fiscal Year	1999 Fiscal Year
Income from Depart	**$56,353**	**$71,814**	**$75,192**

Miscellaneous Revenues: Miscellaneous revenues include the sale of municipal property, interest on investments, rents of property, insurance dividends and reimbursements, other and unidentified receipts.

	1997 Fiscal Year	1998 Fiscal Year	1999 Fiscal Year
Sale of Municipal Property	$43,636	$10,492	$25,561

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Milton
Milton, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Milton as of and for the year ended December 31, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Milton has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Milton as of December 31, 1999, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Milton taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Milton. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

NOTES

Town of Milton

2001
Town Warrant

The State of
New Hampshire

Town of Milton
2001Warrant
State of New Hampshire

To the inhabitant of the Town of Milton in the County of Strafford in the said State, qualified to vote in Town affairs:

First Session
You are hereby notified that the first session of the annual town meeting will be held on Saturday, February 10, 2001 beginning at 1:00pm at the Nute High School Auditorium. The first session will consist of explanation, discussion and debate of each of the following warrant articles, and will also afford voters who are present the opportunity to propose, debate and adopt amendments to warrant articles, except those articles whose wording is prescribed by state law.

Second Session
The second session of the annual town meeting, to elect town officers by official ballot and to vote on all warrant articles as they may have been amend at the first session, will be held on Tuesday, March 13 at Nute High School. Polls for voting by official ballot will open at 8:00am and close at 7:00pm.

Article 1: to choose all necessary Town Officers for the ensuing year.

Article 2: Zoning Articles.

Article 3

Shall the town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or amended by vote of the first session, for the purposes set forth therein, totaling $1,985,186. Should this article be defeated, the operating budget shall be $1,910,906 which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: Warrant Article 3 (operating budget) does not include special warrant articles 4, 5, 6, 7, 8, 9, 10, 11, 12,13, and 14.
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 4

To see if the Town will vote to raise and appropriate the sum of $275,000 for Highway Road Construction, of which at least $25,000 will be set aside for overlaying roads. This warrant will be non-lapsing for 2 years or until the project is complete, which ever comes first. (This appropriation is in addition to Warrant Article 3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 5

To see if the Town will vote to raise and appropriate the sum of $50,000 for a Highway Dump Truck. This warrant will be non-lapsing for 2 years or until the Highway Dump Truck is purchased, which ever comes first. (This appropriation is in addition to Warrant Article 3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 6

To see if the Town will vote to raise and appropriate the sum of $30,000 for Sidewalk Reconstruction. This warrant will be non-lapsing for 2 years or until the project is complete, which ever comes first. (This appropriation is in addition to Warrant Article 3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 7

To see if the Town will raise and appropriate the sum of $20,000 to be added to the Fire Departments Equipment/Apparatus Capital Reserve Fund previously established. (This appropriation is in addition to Warrant Article #3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 8

To see if the Town will vote to raise and appropriate the sum of $12,000.00 to be added to the Police Department Cruiser Capital Reserve Fund previously established.
(This appropriation is in addition to Warrant Article #3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 9

To see if the town will raise and appropriate the sum of $20,000.00 to be added to the Highway Department Equipment Capital Reserve fund previously established.
(This appropriation is in addition to Warrant Article #3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 10

To see if the Town will vote to raise and appropriate the sum of $20,000.00 to be added to the Highway Department Truck Capital Reserve Fund previously established.
(This appropriation is in addition to Warrant Article #3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 11

To see if the town will vote to raise and appropriate the sum of $10,000.00 to be added to the Revaluation Capital Reserve Fund previously established.
(This appropriation is in addition to Warrant Article #3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 12

To see if the Town will vote to raise and appropriate the sum of $30,000.00 to be added to the Town Landfill Closure Capital Reserve Fund previously established.
(This appropriation is in addition to Warrant Article #3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 13

To see if the Town will vote to raise and appropriate the sum of $30,000.00 to be added to the Milton/Milton Mills Border Bridge Capital Reserve Fund previously established.
(This appropriation is in addition to Warrant Article #3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 14

To see if the Town will vote to raise and appropriate the sum of $10,000 to be added to the Ambulance Capital Reserve Fund previously established.
(This appropriation is in addition to Warrant Article 3, the operating budget article.)
Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0

Article 15

To see if the voters of the Town of Milton wish to initiate a fund raising effort to eventually acquire the Parish House for Town purposes.

Article 16 **(PETITION)**

To see if the Town will vote to have the World War II Honor Roll Sign moved from its current location-adjacent to the Milton Garage on Route 125- to the Veteran's Memorial Park.

Article 17 **(PETITION)**

Are you in favor of returning the Welfare Department to the Town of Milton Town Offices, under the direct supervision of the Board of Selectmen and the Town Administrator? This change to take effect at the conclusion of the 2001 Budget Year.

Chris Jacobs
Vice-Chairman

Steve Gagne

We hereby certify that we gave notice to the inhabitants within named to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of within warrant at the place of meeting with named, and a like attested copy at the Town Office Building, Milton Post Office, Milton Mills Post Office, and Teneriffe Building being public places in said Town, on the 19th day of January 2001.

Milton Board of Selectmen

James Culverhouse, Chairman

Chris Jacobs, Vice-Chairman

Steven Gagne

MILTON PLANNING BOARD
ZONING AMENDMENTS

Are you in favor of the adoption of amendment number 1 proposed by the Planning Board for the Milton Zoning Ordinances as follows.

To **amend** all reference to "Commercial Wireless Communication Facilities" to be known hereafter as "Personal Wireless Service Facilities".

Yes _____ No _____

Are you in favor of the adoption of amendment number 2 proposed by the Planning Board for the Milton Zoning Ordinances as follows.

To amend Article II, Definitions, by **adding** the following terms and definitions:

Antenna Array. A collection of antennas attached to a mount to send and receive radio signals.

Average Tree Canopy . An average elevation of the upper canopy above ground level for a defined area equal to 2 times the height of the facility. The trees within the proposed security barrier shall be excluded. All trees over 25 feet in height shall be inventoried.

Camouflaged. A personal wireless service facility that is disguised, hidden, part of an existing or proposed structure, or placed within an existing or proposed structure.

Carrier. A Company that provides personal wireless services also sometimes referred to as a provider.

Environmental Assessment (EA). An EA is a document required by the Federal Communications Commission (FCC) and the National Environmental Policy Act (NEPA) when a personal wireless service facility is placed in certain designated areas.

Equipment Shelter. An enclosed structure, cabinet, shed, vault, or box near the base of the mount within which are housed equipment for personal wireless service facilities such as batteries and electrical equipment. Equipment shelters are sometimes referred to as base transceiver stations.

Facility. See Personal Wireless Service Facility.

Fall Zone. The area on the ground from the base of a ground mounted personal wireless service facility that forms a circle with a diameter equal to twice the height of the facility, including any antennas or other appurtenances. The fall zone is the area within which there is a potential hazard from falling debris (such as ice) or collapsing material.

Guyed Tower. A monopole or lattice tower that is secured to the ground or other surface by diagonal cables for lateral support.

Height. The height above ground level (AGL) from the natural grade of a site to the highest point of a structure.

Lattice Tower. A type of mount with multiple legs and structural cross-bracing between the legs that is self-supporting and freestanding.

Mast. A thin pole that resembles a streetlight standard or a telephone pole. A dual-polarized antenna is typically deployed on a mast.

Monopole. A thicker type of mount than a mast that is self-supporting with a single shaft of wood, steel or concrete, or other material, that is designed for the placement of antennas and arrays along the shaft.

Mount. The structure or surface upon which antennas are mounted, including the following four types of mounts:

1. Roof-mounted. Mounted on the roof of a building.
2. Side-mounted. Mounted on the side of a building.
3. Ground-mounted. Mounted on the ground.
4. Structure-mounted. Mounted on a structure other than a building.

Personal Wireless Service Facility. Facility for the provision of personal wireless services, as defined by the Telecommunications Act of 1996, as amended. Personal Wireless Service facilities include a mount, antenna, equipment shelter, and other related equipment.

Personal Wireless Services. The three types of services regulated by this Ordinance: Commercial mobile radio services, unlicensed wireless services, and common carrier wireless exchange access services as described in the Telecommunications Act of 1996, as amended.

Radio Frequency (RF) Engineer. An engineer specializing in electrical or microwave engineering, especially the study of radio frequencies.

Radio Frequency Radiation (RFR). The emissions from personal wireless service facilities.

Security Barrier. A wall, fence, or berm that restricts an area from unauthorized entry or trespass.

Separation. The distance between one carrier's array of antennas and another carrier's array.

To amend Article II, Definitions, by **deleting and replacing** the following term and definition:

Antenna. The surface from which wireless radio signals are sent and/or received by a personal wireless service facility.

Co-location. The use of a single mount on the ground by more than one carrier (vertical and horizontal co-location) or the same carrier with multiple licenses, and/or the use of several mounts on an existing building or structure by more than one carrier or the same carrier with multiple licenses.

To amend Article II, Definitions by **deleting** the following terms and definitions:

Temporary Wireless Communication Facility, Tower, Transmitter, and Wireless Communication Facility

Yes _____ No _____

Are you in favor of the adoption of amendment number 3 proposed by the Planning Board for the Milton Zoning Ordinances as follows.

To **replace the existing** Article VII, A.1., with the following:

A.1. Tower Location

All Personal Wireless Service Facilities must be located 100 feet from all lot lines.

To **replace the existing** Article VII, A.3., with the following:

A.3. Maximum Height

Ground-mounted personal wireless service facilities shall not project higher than (10) ten feet above the average tree canopy height within a one hundred and fifty (150) foot perimeter of the mount, security barrier, or designated clear area for access to equipment, whichever is greatest.

To **eliminate** Article VII, B. Temporary Wireless Communication Facilities

To **replace the existing** 180 days with 90 days in Article VII, E.3.

To **eliminate** Article VII, E.4. and E.5.

To **replace the existing** Article VII, E.6. with the following:

E.6. The amount of the security shall be based upon the estimated removal cost plus, fifteen percent (15%), provided by the applicant and certified by a professional civil engineer licensed in New Hampshire. The owner of the facility shall provide the Planning Board with a revised removal cost estimate and structural evaluation prepared by a professional civil engineer licensed in New Hampshire every five (5) years from the date of the Planning Board's approval of the site plan. If the cost has increased more than fifteen percent (15%) then the owner of the facility shall provide additional security in the amount of the increase.

If the owner of the facility does not remove the facility upon the Zoning Administrator's order, then the Selectmen shall, after holding a public hearing with notice to the owner and abutters, issue a declaration of abandonment. The owner of the facility shall dismantle and remove the facility within ninety (90) days of receipt of the declaration of abandonment by the Selectmen. If the abandoned facility is not removed within ninety (90) days, the Town may execute the security to pay for this action.

Yes_____ No_____

ARE YOU IN FAVOR OF THE ADOPTION OF THE *GROUNDWATER USE RESTRICTION DISTRICT* PROPOSED BY THE SLECTMEN FOR THE MILTON ZONING ORDINANCES AS FOLLOWS:

Purpose

The purpose of this section is, in the interest of public health, safety and general welfare, to prohibit the use of groundwater potentially degraded by the Milton Municipal Landfill, through the establishment of a Groundwater Use Restriction District. All properties in the Groundwater Use District are in the service area of the Milton Water District. An additional purpose of this section is to require that all development within the Groundwater Use District be connected to that municipal water supply system.

Location

The Groundwater Use Restriction District is an overlay Zoning District. The boundary of the District has been set to include lots that are down gradient of the Milton Municipal Landfill. The District shall be comprised of the following area and lots:

- Those areas defined and mapped as the Groundwater Use Restriction District, as may be amended in the future, included on Plate 1 (attached).
- The following lot numbers of Tax Map 32 are included in the Groundwater Use Restriction District: Lots 30,31,73,74,75,76,133 through 153, and 155, 156, and 157.

Development Regulations and Prohibitions

1. Pumping of groundwater from any well, trench, sump, or other structure for residential, irrigation, agricultural, or industrial purpose is prohibited, unless it is for the specific purpose of pumping groundwater out of a sump to keep a cellar from flooding during periods of high groundwater conditions.

2. All proposed residential, commercial, and industrial developments in the District shall be connected to and served by the municipal water supply system (Milton Water District).

3. The requirements, restrictions, and prohibitions of the underlying zoning districts shall continue to apply to the extent that they are not inconsistent with the provisions of this section.

MILTON WATER DISTRICT WARRANT

To the inhabitants of the Milton Water District, qualified to vote in the affairs of the District.

You are hereby notified to meet in the American Legion Hall in said District, on Saturday, March 10, 2001 at 7:00 PM in the evening to act on the following articles:

1. To choose a Moderator for the ensuing year.

2. To choose a Clerk for the ensuing year.

3. To choose a Commissioner for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To see if the voters of the District will vote to raise and appropriate:

A.	Officers salaries	$ 1,600
B.	Building maintenance	11,500
C.	Equiopment purchase	500
D.	Equipment maintenance	24,800
E.	Electric	11,000
F.	Heat	500
G.	Advertising	200
H.	Liability insurance	1,000
I.	Legal expenses	1,000
J.	Postage	400
K.	Printing and Supplies	255
L.	Telephone	1,200
M.	Water Testing	1,000
N.	Audit	500
	Total	$55,455

6. To see if the District will vote to transfer funds, not to exceed five thousand dollars ($5,000), unexpended and unencumbered as of December 31, 2000, to the Capital Reserve Fund previously established for the purpose of funding a future well site and the equipment necessary to operate the same. (Majority vote required)

7. To see if the voters of the District will authorize the Commissioners to borrow in anticipation of taxes and water rates.

8. To hear reports of Committees and take action relative there to.

9. To transact any business that may legally come before said meeting.

A true copy of the Warrant attest--

David Paey, Sr. James F. Haney Robert Walsh
